Editors Notes

Here we go – wet and cold!! We have been very busy over summer – lots of groups going to the DAVO, the COCKATOO ferry was chugging away – carried more than 700 in 5 weeks without a hitch – takes a lot to slow an old girl down! Many full boats to the Mariners – we couldn't make all the games- but most! Thanks to the faithful who support this!

We get asked are we going to the NRL? Well yes we can – if the games don't impact on the regular ferry service and we can get the #'s. Best way to find out is to join our fb group – Central Coast Ferries – and then you can request/check up on/join any activity.
